

Privacy Policy

Primus-IT is committed to protecting your privacy. This Privacy and Security statement explains our data processing practices and your options regarding the ways in which your personal data is used.

Information collected

Primus-IT collects the details provided by you on registration together with information we learn about you from your use of our service and your visits to our web site and other sites accessible from them. We also collect information about the transactions you undertake including details of payment cards used.

We may collect additional information in connection with your participation in any promotions or programs offered by us and information you provide when giving us feedback or completing your personal profile. We also monitor customer traffic patterns and site use which enables us to improve the service we provide.

Use of Information Collected

When you confirmed order in Primus-IT website, we require specific information to fill your order. Some of this information includes name, billing and shipping addresses, phone number, credit card information, and e-mail address. We handle this information in a secure, confidential manner.

We may use the information we collect to occasionally notify clients about important functionally changes to our web site, new service, new products, and special offers and promotion we think client will find valuable. The collected information also allows us to process and fulfil clients' order and notify client of their order status.

Disclosures of your information

All of the information submitted is kept confidentially and will not be shared with any parties .We will never pass your personal data to anyone else, except for any successors in title to our business and suppliers that process data on our behalf. We may also use and disclose information in aggregate (so that no individual customers are identified) for marketing and strategic development purposes.

Links

Primus-IT's web site may contain link to other sites which are not maintained by Primus-IT.

Primus-IT is not responsible for the content of those sites. The inclusion of any link to such sites

does not imply endorsement, sponsorship, or recommendation by Primus-IT of the sites. Primus-IT disclaims any liability for links: (i) from another web site to Primus-IT; and(ii) to another web site from Primus-IT. Access such a page or site is at your own risk.

Cookies

"Cookies" are small pieces of information sent by a web server to a web browser, which enables the server to collect information from the browser. Primus-IT uses cookies for a number of purposes, for instance to enable us to simplify the logging on process for registered users, to help ensure the security and authenticity of registered users, to provide the mechanisms for online shopping and to enable traffic monitoring.

Non-registered visitors of the site are sent anonymous cookies to keep track of their browsing patterns and build up a demographic profile. In addition, any visitor who has clicked on a Primus-IT's advertisement on another site that links to Primus-IT will be sent a semi-persistent (e.g. two weeks lifetime) anonymous cookie that will allow us to analyze advertising effectiveness and manage our relationship with affiliate sites.

Whilst you do not need to allow your browser to accept cookies in order to browse much of our web site or to access many of our services, you must have cookies enabled if you wish to shop online at any of our stores or access any areas reserved for registered users.

Most browsers allow you to turn off the cookie function. If you want to know how to do this please look at the help menu on your browser. As described above this will restrict the Primus-IT services you can use.

Security

To give you peace of mind in online ordering, Primus-IT's online ordering system utilizes Secure Sockets Layer, SSL, the most widely used encryption technology available today for secure e-commerce transaction. However, we cannot guarantee that any precaution is totally secure. For one thing we can sure, Primus-IT will take all kinds of measures to secure and protect all purchasers information from misuse, loss or alternation.
